There is one SURE WAY that all motorists pay \$7.00 per pint for SAVMOTOR and ALL cause their losses amounts to this or more.

There is NOT but one (1) SAVMOTOR and UPPER LUBE but MANY imposters and imitations so BEWARE, only the original is SURE.

UPPER LUBE makes regular gasoline better than ETHLY, SAVES MONEY, and the two work together to STOP troubles before they can happen, therefore it is very WISE to KNOW and UNDERSTAND THEM and WHY they SAVE your machinery and your MONEY.

He that condems SAVMOTOR and UPPER LUBE CONDEMS NATURE by NOT UNDER-STANDING their BENEFITS nor their correct USE, so LISTEN to US, your SAVMOTOR Dealers everywhere, we KNOW better.
